RICHARD C. BISHOP

Department of Agricultural and Applied Economics
University of Wisconsin-Madison

I. BIOGRAPHICAL SKETCH

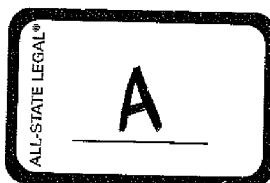

Richard C. Bishop is a Senior Consultant at Stratus Consulting Inc, and Professor Emeritus in the Department of Agricultural and Applied Economics at the University of Wisconsin-Madison, where he is engaged in research and teaching in environmental and resource economics. He joined the Wisconsin faculty in 1973 after completing a Ph.D. and doing postdoctoral research at the University of California-Berkeley. His research emphasizes valuation of nonmarket environmental services, sustainability, and renewable resource management and has published many papers in outlets such as the *Journal of Environmental Economics and Management*, *Land Economics*, the *American Journal of Agricultural Economics*, *Environmental and Resource Economics*, and *Ecological Economics*. Bishop is a Fellow of the American Agricultural Economics Association and completed a two-year term as President of the Association of Environmental and Resource Economists in 1998. He received the Publication of Enduring Quality Award from the Association of Environmental and Resource Economics in 1999. He served as Chair of the Department of Agricultural and Applied Economics at UW-Madison from 1998 until 2004.

II. PERSONAL DATA

III. ACADEMIC TRAINING

Ph.D., Agricultural Economics, University of California-Berkeley, 1971.

M.S., Economics, Colorado State University, 1967.

B.S., Business Administration, Colorado State University, 1965.

IV. PROFESSIONAL EMPLOYMENT

August 1, 1998-present, Chair, Department of Agricultural and Applied Economics, University of Wisconsin—Madison.

July 1, 1973-present, Department of Agricultural and Applied Economics, University of Wisconsin-Madison (1983-present, Professor; 1978-1983, Associate Professor; 1973-1978, Assistant Professor).

January 1, 1971-June 30, 1973, Assistant Research Agricultural Economist, University of California-Berkeley (Post-doctoral research).

V. HONORS AND AWARDS

Publication of Enduring Quality Award, 1999, Association of Environmental and Resource Economists, for article with Thomas A. Heberlein, "Measuring Values of Extramarket Goods: Are Indirect Measures Biased?" *American Journal of Agricultural Economics*, 1979.

Fellow, American Agricultural Economics Association, Elected 2001.
